YOUR PARADISE

Avani+ Fares Maldives Resort is proud to host the debut of Your Paradise Maldives — the first festival of its kind in the Maldives.

In partnership with global boutique brand Your Paradise, this six-day celebration will bring top international electronic artists, cultural experiences, and wellness sessions to our island in the Baa Atoll UNESCO Biosphere Reserve.

With a decade-long legacy in the South Pacific, Your Paradise has featured artists like Fisher, Skrillex, Bonobo, and Nora En Pure. Now, for the first time, it arrives in the Maldives — promising unforgettable moments across golden sunsets,

AYYBO

AYYBO is a rising DJ and producer established in the house and techno scenes. Known for high-energy sets at festivals like Experts Only and CRSSD, they blend dynamic grooves with a growing global presence across social platforms and club circuits.

ARIELLE FREE

Arielle Free is a Scottish DJ, producer, and BBC Radio 1 presenter known for her energetic house sets and "Free Your Mind" label. A regular at major international festivals, she blends house, techno, and garage through her original tracks and global club performances.

COCO & BREEZY

Coco & Breezy are twin sisters and DJs blending house, Afro-house, and dance music on global stages. From touring internationally to releasing tracks like "Off My Mind," they combine a high-fashion background with dynamic sets that command dancefloors worldwide.

WILLIAM KISS

A powerhouse in the Melbourne house and techno scene, William Kiss is known for grooving rhythms and releases on labels such as Gudu and Rekids. Whether performing solo or with the trio Not Without Friends, his main-floor-ready tracks have earned millions of streams and a global following.

DOUBLE TOUCH

Double Touch is a Sydney and LA-based duo fusing classical piano by Van-Anh Nguyen with the electronic production of Mark Olsen. Known for immersive hybrid sets that blend live instrumentation with melodic house, they have performed globally at All Day I Dream and Cercle, establishing a unique sound at the intersection of acoustic artistry and electronic music.

JORDAN BRANDO

A standout Melbourne producer known for deep, bass-heavy house and international festival sets. Featuring releases on No Art and Shall Not Fade, Jordan performs solo and as a member of the trio Not Without Friends, blending a wide musical range with high-energy live shows.

SASHA SPILBERG

A multi-talented artist and internet personality who has evolved from a viral content creator into a dedicated electronic producer. Sasha blends high-energy club tracks with her established global influence to build an emerging catalog in the electronic scene.

SARAH STORY

A premier BBC Radio 1 host and tastemaker, Sarah Story is at the forefront of the UK dance scene. From her STORIES label to her international DJ sets, she is a dedicated champion of electronic music, blending broadcasting expertise with high-energy club performances.

TORI LEVETT

Tori Levett is a Sydney-born DJ and producer known for blending melodic techno and progressive house. With an international profile and a significant streaming following, she is recognized for high-energy sets that bridge the gap between underground and mainstream electronic music.

MELÉ

A standout UK producer known for a signature fusion of tribal Brazilian rhythms and high-energy house. With major releases on Defected and a reputation for explosive live performances, Melé is a driving force in the global dance music scene.

LOW STEPPA

A UK house legend and Simma Black label boss known for his signature bass-heavy grooves. With a massive discography on Defected and Strictly Rhythm, Low Steppa remains a premier global performer and influential voice in house music.

TOM & COLLINS

Mexico City's premier house duo, Tom & Collins blend Latin-inspired rhythms with tech-house grooves. Founders of Terms & Conditions Records and recognized in DJ Mag's Top 100, they are known for high-energy sets and major global festival appearances.
